By: Bishop E. Anne Henning Byfield

LITURGIST: Worship the Lord!

CONGREGANTS: For we are a repentant people beginning a new season of hope.

LITURGIST: Make joyful sounds to the rock of our salvation who became flesh and enter our humanity to save us.

CONGREGANTS: While we were yet sinners, God loved and touched us with love.

LITURGIST: Join together with eager anticipation to receive now our renewal.

CONGREGANTS: We have been delivered from pit and as outcasts we are called God's own.

LITURGIST: During this Lenten season, we once again see forgiveness and restoration.

CONGREGANTS: We give thanks for the opportunity for clean hearts and new spirits. We worship the Lord in knowing we can make it through the Lenten Season because God paved the way for us.
