

A CALL TO WORSHIP for PENTECOST SUNDAY

LEADER: Behold how good and pleasant it is when all of God's children can dwell together in unity! Grant to us unity and harmony, Divine Creator.

RESPONSE: **Just like the Day of Pentecost, unite us as one church on one accord.**

LEADER: In a world rampant with violence and disease, full of those ills that are physical and social, we need Your Spirit. We need Your spirit that inspires fiery tongues to speak out and inspires a rushing wind of change and new life.

RESPONSE: **Just like the Day of Pentecost, unite us as one church on one accord.**

LEADER: Thou who makes all things new, make us new! Thou who revives the dead, revive us again! Thou who brings together order out of the chaos, grant to us Your Spirit that makes clear the distorted.

RESPONSE: **Just like the Day of Pentecost, unite us as one church on one accord.**

LEADER: O mighty God, pour out your Spirit upon *all* flesh, so that your songs and your daughters may prophesy, so that the young people shall see visions, and the elders shall dream dreams.

ALL: **Grant to us unity, grant to us courage, and grant to us peace for the facing of this hour – in and through Your Spirit. Amen.**
